**NONCOMPLIANCE SUMMARY**

I allege Robel Keleta Goitom has violated conditions of supervision by:

Violation Number	Nature of Noncompliance
1.	Failing to provide a valid urine test, on or about July 6, 2023, in violation of a special condition of supervised release.
2.	Consuming alcohol on or about August 15, 2023, in violation of a special condition of supervised release.

United States Probation Officer Action:

On July 6, 2023, Mr. Goitom reported to the Probation office and submitted a drug test that returned dilute.

On August 15, 2023, Mr. Goitom reported to the Everett office and provided drug test that was presumptively positive for alcohol. The sample was sent to the national lab for confirmation and returned positive for alcohol. I confronted Mr. Goitom about the results of his drug test. Initially, Mr. Goitom denied consuming alcohol but later admitted to having a drink of wine while out to dinner with family. Mr. Goitom was verbally reprimanded for his decision to consume alcohol. In addition, Mr. Goitom was placed on the highest frequency of testing and was instructed to obtain a substance use disorder assessment. I therefore recommend the Court take no further action.

I consulted with Assistant United States Attorney Jessica Manca, and she concurs with my recommendation.

I respectfully recommend the Court endorse my actions.

I swear under penalty of perjury that the foregoing is true and correct.

APPROVED:  
Monique D. Neal  
Chief United States Probation and Pretrial Services Officer

Executed on this 19<sup>th</sup> day of September, 2023.
